

To whom it may concern

Herewith please find our submission to the Innovation Review.

This submission has been compiled by Mario Pennisi on behalf of The Queensland Clinical Trials Network Inc. (QCTN) following consultation with a number of our QCTN members and other industry stake holders.

QCTN is a Queensland based, independent, incorporated, not-for-profit industry association of preclinical and clinical trials and related service providers.

QCTN was established in 2005 with a grant under the Queensland Government's Smart State agenda, and receives fees from its members.

Our office address is Level 3, 88 Jephson Street Toowong Qld 4006.

Telephone is 07 3331 3999
Fax is 07 3870 9101
